No implementations

### **European 2**

No implementations

### **European 3**

No implementations

### **European 4**

1. Xavier Bonnaud. Arlon, Winner. Commission for urban studies financed by the Région wallonne.

### **European 5**

1. Tim Denninger - Tomoyuki Haramura - Patrick Longchamps. La Louvière, Winners. : First phase of the project. Three more phases waiting.

### **European 6**

1. Ruddy Picard - Sébastien Causin - Bertrand Noël - Vincent Virgo. Châtelet, Winners. Participation of the team to the stage of the project's administrative preparation. Participation of Rudy Picard in some projects of the social Housing Society. The winning team is involved in an urban project concerning the Châtelet site.

### **European 7**

1. Nicolas Nenard - Stéphane Coydon. Ottignies, Winners. Commission between the client and the team.  
2. Vincent Pierret - Hélène Dubois. Participation of the Runner-up team for the practical phase (recently reminded by the Mayor).

**European 8**

1. Jean-Philippe De Visscher - Christophe Lootvoet - Amélie Paris. Mons-Ghlin, Winners. Constructive presentation to the local authorities. Urban planning first.

**European 9**

1. Christophe Lootvoet. Ottignies - Louvain La Neuve, Winner. Favourably received by the local authorities. The Winner is currently making contacts with a view to developing the site with local services.
2. Boris Bouchet - Jérôme Lafond - Thomas Nouailler - Yvan Okotnikoff. Andenne, Winners. Several meetings and exchanges of view have been held with the local administration and the Cabinet for Town and Country Planning. The town should decide on which procedure to follow to create optimum conditions to achieve the whole project. The town has recently purchased a plot of land essential for the implementation of the project.

**European 10**

1. Alberto Mottola - Simone Gobbo - Davide De Marchi. Gembloux, Winners. The winning project was really appreciated by the local authorities. The building will be finished in June 2015.
2. Rénaud Pansaerts - Ronald Riffart - Joël Meersseman. Gembloux, honorable mention. As subcontractors of the Italian winning team, this team got the mission of operational architect.
