PUBLICITY FOR THE EUROPEAN 13 COMPETITION

National European website, websites and mailing lists of Zagreb Architects' society and Croatian union of architects, and in daily newspapers and Public Procurement Gazette.

LEGAL PROVISIONS FOR FOREIGN ARCHITECTS

European union's principle on the free movement of persons implies that member states' citizens' can work in other member states, as well as in Norway, Iceland and Lichtenstein and in certain cases Switzerland, without having to obtain a working permit.

Following the reciprocity principle, citizens of the member states that stipulate limited employment rights for Croatian citizens in the interim period can't get employment in Croatia without a special permit.

PUBLICATIONS FOR THE EUROPEAN COMPETITIONS

Architecture journal Man and space (Covjek i prostor), brochures (E10 and E11)
Results brochure

Implementations

None so far

IMPLEMENTATIONS

European 5

Vukovar. Implementation procedure was begun, the winning team signed the contract, but the project remains unbuilt.

European 7

Rijeka. Implementation by the winning project in form of the Detailed Plan, still in procedure.

European 8

This implementation started in 2011. And the winning design was adapted to the needs of the developers. The project hasn't reached the construction phase.

European 9

No implementation to this day.

European 10

No implementation to this day.

European 11

After the competition, the winning team are in contact with the city government; a workshop was organized analyzing the entries in order to redefine the overburdened programme
