## IMPLEMENTATIONS

### European 1

1. **Berlin-Treptow:** Wilfried Kneffel; Elisabeth Meik; Georg Prokakis; Tim Heide - Verena von Beckerath; Michael Mussotter - Ulrike Pöeverlein. Commission on another site in Berlin, Alt-Glienicke. 72 units of social housing spread over 9 plots of 8 dwellings shared between five winning teams for Stadt und Land Wohnbauten-Gesellschaft. Project implemented in 1996.
2. **Berlin-Tiergarten**, Lehrter Strasse: Georg Prokakis; Wilfried Kneffel; Elisabeth Meik; Thomas Wiesner - Marete Ahnfeldt-Möllerup. A corner construction made up of four adjoining buildings. 60 units of social housing, 5 commercial premises and a car park in the context of a collective commission of four winning teams for P+R Bauträgergesellschaft. Project implemented in 1995.
3. **Immenstadt:** Andreas Hild - Tillmann Kaltwasser. Commission on another site, 14 dwellings for Sozialbau Kempten. Project implemented in 1993.

### European 2

1. **Berlin, Bornholmer Strasse:** Dimitry Bush - Alexander Khomiakov; Nathalie de Vries - Jacob van Rijs; Walter Arno Noebel; Christin Kreplin - Hubertus Duwensee. Social housing scheme split over four plots and shared between four European teams (three winning teams in Berlin and one in Rostock) and two local teams, procedure halted because of real-estate problems.
2. **Halberstadt:** Andrea Melchior - Ulrich Eckey, Kees Sigmund - Hans Sonneveld. The two winning teams have participated in a workshop with the town and the investor, and completed an urban study. Procedure halted. Andrea Melchior - Ulrich Eckey were invited to a competition on another site.

### European 3

No commitment has been made with the prize-winning teams.

### European 4

1. **Kempten:** Wallie Heinisch - Marcus Lembach. Winner. Invitation to compete on another site in Kempten.
2. **Görlitz:** Annette Paul. Winner. Urban planning studies.

3. **Zgorzelec:** Florence Wiel. Winner. Urban planning studies.
4. **Mainz:** Ariane Gutzmer. Winner. Participation in a workshop with the town.

#### European 5

1. **Essen:** Ralf Freymut - Sylvia Euler; Paul van der Voort - Catherine Visser - Daan Bakke, Winner; Christiane Schmidt - Jörg Lammers. Runner-Up. The three teams have participated in a workshop with the town and the investors, and completed an urban study. Procedure stopped.
2. **Geesthacht:** Georg Waiblinger - Martin Schenk. Winner. All winning and preselected teams were invited to compete in a second stage of the competition. The jury awarded two prizes for different areas of the competition site to the winning team of Georg Waiblinger - Martin Schenk and Sandra Denicke - Haewon Shin - Khonsari Torange. First implementations, a bridge, a square at the river side and a park on the "Elb"-peninsula were implemented in 2002.
3. **Schwabach:** Klaus Beutler - Martin Ilg. Runner-up. The runner-up and two preselected teams have participated in a workshop with the town and the investor, and completed an urban study.
4. **Guben-Gubin:** Sonja Moers - Thorsten Wagner - Jon Prengel. Winner. Participation in a workshop with the town of Gubin in Poland.

#### European 6

1. **Ingolstadt:** Christian Kern - Michael Schneider - Werner Gilles. Runner-up. Housing project with 47 units, commercial premises and a car park for Gemeinnützige Wohnungsbaugesellschaft Ingolstadt GmbH, implemented in May 2005. Another construction project, next to the competition site, was implemented in 2010, a third construction stage was implemented in 2014.
2. **Augsburg:** Rolf Teloh - Torsten Werner - Marco Hölzl. Winner. Feasibility study completed.
3. **Mönchengladbach:** Florian Krieger - Benjamin Künzel - Urs Löffelhardt - Ariana Sarabia. Winner; Andreas Kriege. Winner; Holger Kleine. Runner-up. The three prize-winning teams have participated in a workshop with the town and the investors, and completed an urban study.
4. **Nauen:** Guntram Jankowski. Winner; Markus Günningmann. Runner-up; Ulrike Tillmann - Susanne Schindler. Runner-up. The three prize-winning teams have participated in a workshop with the town and the investors, and completed an urban study.
5. **Taufkirchen:** Thomas Straub - Brigitte Tacke. Winner. Commission for a feasibility study for the public space.

#### European 7

3. **Selb:** Thomas Bernhardt - Gilles-Benoit Trevetin - Andreas Baumer. Winner; Roland Züger - Alexa Bodammer - Jan Trutz - Christoph Richter. Runner-up. Workshop-phase in 2013.
4. **Wittstock/Dosse:** Steffen Barnikol - Steffen Burucker. Winner; Janna Hohn - Joshua Yates. Runner-up. The winning and runner-up teams were invited to participate in a two-stage workshop.

## Europäer 12

1. **Nürnberg:** Christian Wolff - Benjamin Scharf - Anne Scholz - Agathe Julienne. Winner. Design contract for a mixed used urban housing block. Implementation started in 2017 – should be completed in May 2019. (<https://wbg.nuernberg.de/bauprojekte/architektur-staedtebau/aktuelle-bauprojekte/europaer-12/>).

2. **Bitterfeld-Wolfen**: Aline Hatt - Sabrina Ritter - Anja Kaiser. Winner. The winning-team is commissioned to develop an urban master plan, procedure in progress.
3. **Heidelberg**: Marius Gantert - Andreas Krauth - Marc Bitz - Stefan Uhl. Special Mention. The winning teams were invited to a competition in the northern part of the strategic site. As result the special mentioned team was commissioned to elaborate the master plan - completed in 2016.
4. **Mannheim**: Alessandro delli Ponti - Ilaria Novielli - Camille Alwan - Marc Blum - Clelia Bartolomei - Verdiana Spicciarelli. Winner. Commission for an urban masterplan. In the following competition for the northern part of the site the team was awarded with the first prize.
5. **München**. VOF-procedure (German procedure for the award of professional services) with the preselected teams in progress.
6. **Wittenberge**: Camillo Magni - Lucia Paci - Andrea Zecchetti - Francesco Nobili with Mirco Monti. Winner; Javier De Andrés de Vicente - Regina Valle Viudes - Miguel González Castro - Blanca Alonso González - Angela Juarranz Serrano - Marta Sebastián López - Marta Peña Lorea - Ana Asunción Perez Frade - Miguel Fernández- Galiano Rodríguez. Runner-up; Miguel Ortega - Anna Martínez Sabán - Iñigo de Latore Caballero de Rodas - Carla Isern Ros - María Cristina Rivas Barriga - Jose Antonio Ramos Nieto - Daniel Jacobo Harth - Susana Villares López; Special Mention. The teams were invited to participate in a workshop and have been invited for an architectural competition on the site in 2017. The teams did participate in that competition but did not win.

### European 13

1. **Bamberg**: Christian Eickelberg. Winner. Commission for an urban layout plan. Additional commission for building development in one of the competition areas. Process ongoing.
2. **Feldafing**: Pablo Allen - Elisabeth García Asensio. Winner. Public presentation of the projects by the winning teams in March 2016. No further development
3. **Gera**: Marc Torras Monfort - Annelie Seemann. Winner. Gauthier Duthoit, Runner-up. Franziska Schiederdecker- Friedemann Rentsch. Special Mention. Nick Albers - Timothy Vanagt. Special Mention. The teams were invited to participate in a public workshop in February 2016. The site has become a proper IBA project by now. There is still a possibility that the winners will be included at a later phase.
4. **Landsberg**: Paolo Russo - Fabiana Ledda - Annamaria Gaito - Antonia Cugusi. Winner. Marcin Maraszek - Maciej Kaufmann. Runner-up. Workshop in March 2016, procedure halted.
5. **Schwäbisch Gmünd**: Michael Schott. Winner. Consultancy contract for the development of the urban masterplan. No further development.
6. **Selb**: Lara Freire, Irene Climent Silvar, Iñigo Cornago Bonal, Antonio García, Claudia Sánchez Fernández, Mario Vila Quelle. Winner. Workshop in November 2016. Commission for the development of a passage. Project will be finished in 2019.

### European 14

- 1- **Aschaffenburg** - Atelier Kaiser Shen (Guobin Shen, Kilian Juraschitz), winner. The team will be invited for another urban competition procedure regarding the broader area around the European competition area. A workshop with the client (former GBW Group, now Dawonia), the city and the winners and runner-up, is planned in March 2019.
- 2- **Hamburg** – Janna Hohn, Josh Yates, winners. The team was commissioned to prepare a study in August 2018, which should be considered as a further evaluation of the project regarding the next planning steps and the integration in the master-plan. They

are commissioned to prepare a feasibility study to implement a typology of their project into the masterplan.

3- **Hamburg** - Robert Schnell, Paul Raphael Schägner, Tobias Herr, runner-up. The IBA Hamburg examines the possibility of integrating the project into the master-plan and tries to connect the team to the private owner of one of the sites. Process ongoing.

4- **München/Taufkirchen** – a presentation was held on November 12<sup>th</sup>, 2018. Procedure is halted for the moment as there has been some public discussions about the sites and their development will be postponed.

5- **Neu-Ulm** - Leonardo Zuccaro Marchi, Piero Medici, Alice Covatta, Annalisa Romani, winners. The Team was invited for a presentation of their project. They were commissioned with a study to adapt the project to the local requirements until December 2018. Procedure ongoing.

6- **Zwickau** – Stephan Schwarz, Ingrid Sabatier, Ferdinand Schmelzer, Lena Flamm, winners. The Team had several presentations and discussions related to exhibitions in Zwickau. They were commissioned to prepare an entry for a federal competition among German cities for subsidies. Unfortunately, they (team, local architect and city) did not win. A workshop with the three awarded project is envisioned in March 2019.
