Architecture journal Man and space (Covjek i prostor), Arhitektura, brochures (E10,E11, E13 and E14)

Results brochure, European Hrvatska website

### **Implementations**

E13 in progress

## **IMPLEMENTATIONS**

### **European 5**

**Vukovar** – Implementation procedure was begun, the winning team signed the contract, but further activities have been cancelled.

### **European 7**

**Rijeka** – Implementation by the winning project in form of the Detailed Plan, still in procedure.

### **European 8**

The implementation phase started in 2011. The winning design was adapted to the needs of the developers. The project did not reach the construction phase.

### **European 9**

No implementation to this day.

### **European 10**

No implementation to this day.

### **European 11**

**Dubrovnik** – After the competition, the winning team are in contact with the city government; a workshop was organized to analyse the entries and the programme. For now, no follow-up activities are planned.

### **European 13**

**Zagreb** – The City of Zagreb has organized a workshop with the winning teams and jury members, outlining the upcoming steps in the implementation process. In 2018 the winning team signed a contract with the City of Zagreb, to adapt the competition design to new circumstances, and the implementation is planned for 2019.

### **European 14**

No implementation to this day.
