**DIGITAL SITE VISIT  
VARBERG (SE)  
28/05/2021**

**Site representative(s) present:** Maria Söderlund, City Architect in Varberg  
Johan Thein, exploitation strategist in Varberg  
Frida Eriksson, Urban planner in Varberg  
Kristina Hellerström, Head of land- and property development, citydevelopment office in Varberg

**Number of participants:** 12 Digital  
2 Physical

**Information / presentation by site representatives:**

The site visit was a digital event that was held through Zoom. The site representatives were giving detailed information about the site and the challenges relevant for the competition task. The site visit was made by feet with a few stops where the participants got to see various important places on the site. Varberg had made a map of the tour which the participants got before the site visit. For more detailed information, please see the full presentation:
