**DIGITAL AND PHYSICAL SITE VISIT
NYKÖPING-SKAVSTA (SE)
02/05/2023**

Site representative(s) present:

Björn-Emil Jonsson, project manager for urban development in Nyköping and Tobias Ossmark, strategist for architecture in urban planning in Nyköping.

Number of participants: 3 Digital
3 Physical

Information / presentation by site representatives:

The site visit was a digital and physical event that was held through Zoom. The site representatives were giving detailed information about the site and the challenges relevant for the competition task. The site visit was made by car and foot with a few stops where the participants got to see various important places on the site. The site representatives had made a map of the tour which the participants got before the site visit. For more detailed information, please see the full presentation: <https://youtu.be/3xV8zuokWos>
