DIGITAL AND PHYSICAL SITE VISIT
RIMBO (SE)
20/04/2023

Site representative(s) present: Olle Huusko, Founder and CEO Tranvik AB in Rimbo, Emil Ödegaard Jacobsson urban planner in Norrtälje and Emelie Hansebo, planning architect in Norrtälje,

Number of participants: 1 Digital
3 Physical

Information / presentation by site representatives:

The site visit was a digital and physical event that was held through Zoom. The site representatives were giving detailed information about the site and the challenges relevant for the competition task. The site visit was made by foot with a few stops where the participants got to see various important places on the site. The site representatives had made a map of the tour which the participants got before the site visit. For more detailed information, please see the full presentation:
