DIGITAL AND PHYSICAL SITE VISIT
PITEÅ (SE)
25/05/2023

Site representative(s) present:

Linda Bystedt, Strategic planner in Skellefteå
Lars Hedqvist, Planning Director in Skellefteå
Harriet Wistemar, Architect and Head of Department in Skellefteå
Victor Hessner, Architect and Physical Planner in Skellefteå

Number of participants: 7 Digital
5 Physical

Information / presentation by site representatives:

The site visit was a digital and physical event that was held through Zoom. The site representatives were giving detailed information about the site and the challenges relevant for the competition task. The site visit was made by foot with a few stops where the participants got to see various important places on the site. The site representatives had made a map of the tour which the participants got before the site visit. For more detailed information, please see the full presentation:
