Mikael Vallberg, Head of Planning and Development
Robin Dingwell, , Department of Streets, Traffic and Parks
Torsten Helander, Urban Planner
Emilie Ekander, Communications Strategist

Number of participants: 9 Digital
3 Physical

Information / presentation by site representatives:

The site visit was a digital and physical event that was held through Zoom. The site representatives were giving detailed information about the site and the challenges relevant for the competition task. The site visit was made by foot with a few stops where the participants got to see various important places on the site. The site representatives had made a map of the tour which the participants got before the site visit. For more detailed information, please see the full presentation:
