**DIGITAL AND PHYSICAL SITE VISIT
UPPSALA (SE)
07/04/2025**

Site representative(s) present:

Cecilia Safaee, CEO at Hemmaplan
Amanda Lindstedt, Project Manager, Department of Land and Urban Development,
Uppsala Municipality
Andreas Melén, Project Manager, Land Development, Uppsala Municipality
Martin Edfelt, City Architect of Uppsala

Number of participants: 8 Digital
7 Physical

Information / presentation by site representatives:

The site visit was a digital and physical event that was held through Zoom. The site representatives were giving detailed information about the site and the challenges relevant for the competition task. The site visit was made by foot with a few stops where the participants got to see various important places on the site. The site representatives had made a map of the tour which the participants got before the site visit. For more detailed information, please see the full presentation:
