DIGITAL AND PHYSICAL SITE VISIT

MALMÖ (SE)

31/03/2025

Site representative(s) present:

Anna Krook, Head of Unit at the City Planning Office in Malmö
Johan Folkesson, Head Architect at the Swedish Transport Administration
Edit Stormwalther, Landscape architect at the Department of roads, parks and developments in Malmö
Hanne Birk, Head of developments at PEAB

Number of participants: 6 Digital
 4 Physical

Information / presentation by site representatives:

The site visit was a digital and physical event that was held through Zoom. The site representatives were giving detailed information about the site and the challenges relevant for the competition task. The site visit was made by foot with a few stops where the participants got to see various important places on the site. The site representatives had made a map of the tour which the participants got before the site visit. For more detailed information, please see the full presentation:
